

**Memorial Pet Cremation Full Disclosure Agreement**  
*(this type of cremation is arranged and performed only by the Pennsylvania State Pet Memorial, 210 Andersontown Road, Mechanicsburg, PA)*

This agreement made on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ between the  
 Pennsylvania State Pet Memorial, located at 210 Andersontown Road, Mechanicsburg, PA,  
 17055 who agrees to perform a Memorial Cremation for a companion animal named  
 \_\_\_\_\_ who belongs to the \_\_\_\_\_ family.

**A Memorial pet cremation** is defined as the cremation of multiple pets (but not to exceed ten) in the crematory at one time. (all ten pet's cremated remains will co-mingle. For this reason, all cremated remains must stay at the State Memorial property). When the cremation is completed, the cremated remains are removed from the crematory and prepared for final placement at the Pa State Pet Memorial site. A Name Memorial bearing the pet's name and the family's last name must be permanently affixed at the location where the cremated remains are interred and the property must be protected against development for any purpose other than a final resting place for Companion animals. **Certification of the memorial pet cremation** is accomplished with the use of a high resolution video monitor that time code and record the area directly in front of the crematory from the time the bodies are placed into the crematory until the cremated remains are removed from the cremation chamber. This will assure you that your pet was cremated as stated above.

**Certified Memorial pet cremation certificates** will indicate the location where your pet's cremated remains have been placed and the Memorial name recognition is inscribed and will be signed and dated by the Pennsylvania State Pet Memorial representative who performed the cremation and interred your pet's cremated remains.
